

**Participation and Engagement**

The degree of participation depends on the DIACC membership level. Membership levels may be upgraded from Adopter to Sustaining at any time. The DIACC vision is to diversify revenue streams enabling the DIACC league of innovators to enjoy the shared strategic and business development benefits of participation. The DIACC team will assist prospective members in the application and on-boarding process. Welcome to the DIACC.

**Member Classes**

Sustaining – contribute to and influence innovations and standards, full benefits

Affiliate – public sector only, limited benefits

Adopter – adopt but to do not contribute to and influence innovations and standards, limited benefits

**Membership Value**

- Raise visibility via our Membership Spotlight Program
- Evolve industry concepts with a team of experts
- Adopt, remix & reuse DIACC innovations
- Liaise with DIACC members and collaborators
- Consult with DIACC executive leaders
- Gain visibility through marketing and partnering opportunities
- Take advantage of discounts to industry conferences
- Generate new business leads and win more contracts

**Dues**

Membership dues are based on the size of each organization determined by the world-wide number of employees – no exceptions.

**Fee Schedule**

Membership Class	Tier 0 Academia / Non-Profit	Tier 1 < 1,000 Employees	Tier 2 1,000 – 15,000	Tier 3 >15,000 Employees & Public Sector
